

# SeaView 49' Glass Bottom Viewing Vessel

SeaView

## View the Underwater Life

The perfect destination activity for cruise ship passengers and tourist trade—viewing coves, reefs and marine life. Constructed of fiberglass for the lowest in maintenance and operating costs. U.S. Coast Guard approved to carry 49 passengers, one operator and one crew.

Viewing windows are arranged two aft, port and starboard; two amidships, port and starboard; and one forward. All five viewing windows have wrap-around seating. A fixed canopy covers the passenger area.
