

WILLARD 730 LE

7 Meter Fiberglass Hybrid Foam Collar Law Enforcement Boat

The Willard Marine Sea Force 730 LE was specifically designed for the Law Enforcement Community.

In cooperation with Law Enforcement agencies and other professionals, Willard Marine has developed this boat to meet the requirements of the Law Enforcement Community. A number of special options are offered to make the daily patrols and vessel boardings easier and safer.

Special options include the Bolster with locked Gun Rack, Towing/Snap-back Screen, and Forward Boarding Handrails. Combined with the dual 200 HP outboard engines and the extensive electronics packages offered, this boat can be used for the everyday patrol duties as well as Special Operations boarding teams.

The 730 LE is fitted with Willard Marine's Hybrid Foam/Air Collar System facilitating repeated safe normal boardings without the possibility of incurring damage to either vessel.

Willard Marine has a long standing history of providing strong and durable products for the users. Please contact us for further information on this next generation boat developed specifically for Law Enforcement.
